

Academic and Scientific Platform

Prof. Dr. Hasan Meriç
Periodontology,
Istanbul Aydın University
Miacademy President

Dear Colleagues,

We look forward to welcoming you to Miacademy's World Symposium this October! In 2024, this prestigious event will be the center of the most innovative dentistry and implantology practices in the dentistry field.

This year, our speaker lineup consists of world-renowned experts in their fields and valuable trainers of Miacademy. We guarantee that they will provide you with the most up-to-date information on topics such as digital dentistry and immediate implantation, and equip you with insights that will drive your practice forward. Through presentations and interactive seminars, you will have the chance to expand your knowledge and strengthen your professional network.

Our symposium will take place in Antalya in an elite all-inclusive hotel for 3 nights and 4 days. This hotel, with its modern facilities and superior comfort, will provide you, our esteemed participants, with the perfect environment for both work and rest. This location, where you can enjoy the still warm days of October, will make your symposium experience even more memorable.

Your participation will make this event even more meaningful. We invite you to join us on this innovative journey. See you soon!

With best regards,
